Also Congratulations to Team #4 who won the overall team competition. **They will "recoup" their entry fee so see Bonnie.** Every woman on this team lost weight. Mercedes, Tiffany P., Angela B., Anna C., Courtney L., Kelly J., and of course our Champion - Terrie G. - were all part of this winning effort.

21 people lost 5% of their body weight or more. Think about it - take 5% of your weight and wouldn't you be happy to have lost that??? Job well done, Flex Biggest Losers. Now to keep it off.....
